CALLED TO UNITY Together in Timisoara

„Europe lives in Timisoara”: here different cultures meet in faith and life. Timisoara is a place that tells many stories of „together”.

Together for Europe invites us to weave in this city a dynamic network of Communities and spiritual Movements throughout Europe; „a network that connects the fires of renewal present in Europe”. (Card. Miloslav Vlk)

Participate and let's be guarantors together:

- of a Europe of peace and fraternity
- of a Europe that lives from its Christian roots
- of the unity of the People of God

Timisoara is a place of hope! Here we want to work together to plant a sign of hope:

- Together instead of against each other!
- East and West meet together!
- Unity is possible!

As Communities and Movements we are ready to live our charism of unity in a new way and to „step into the rift” anew (Ezekiel 22,30) for Europe, the Churches and society.
